

Flagstaff Hill Scout Group “WARRA” Newsletter

www.flagstaffhill.sa.scouts.com.au

Term 4 2013

We hope you enjoy this edition of the “Warra”, the official newsletter of Flagstaff Hill Scout Group.

Read and learn more about our dynamic Scout Group! Are you interested in getting involved? We would be delighted to have you!

From the Group Leader

Chris Wise (0401 570 800)

We're closing in on another year at Flagstaff Hill – and what a busy one it has been – but busy in a good way! We've had many highlights over the course of the year which started with a very successful Jamboree in Maryborough Queensland which saw our Scouts participate in this huge Scouting adventure. We've hosted exchange students from overseas, had a very successful family camp, and participated in ANZAC Day and Australia Day in our communities as well as many other activities all in addition to our weekly meetings that are very well attended.

A milestone we have achieved recently is 200 active Youth Members in the Group. This positions us as the largest Group in South Australia by a long way, and we believe it is quite possibly the largest Group in Australia. The numbers aren't the important thing though – the quality program that our Youth enjoy is the key and it is a great testament to our Leaders and Adult Helpers that the programs being offered are being enjoyed.

This again re-iterates our need to have more adults join our Group in Leader roles. Opportunities exist in a number of sections and we need to continue to increase our Leader numbers in order to ensure we can continue offering the same great program. I encourage anyone who wants to know more to contact me!

Our 2013 survey is currently underway to obtain your thoughts and feedback on our Group. I encourage you to have a say, whether you've been at the group 1 week or 10 years – your feedback is important to us! Find out more at www.flagstaffhill.sa.scouts.com.au/survey2013.

Obtaining feedback is an important part of continuing our development as a Group. Often in this day and age it is easy for feedback to be misdirected – social media where comments can be made in an open forum, instead

of addressing issues with a particular individual is one such example. I take this opportunity to ask all families and members of our Group to please speak with your Leader, or myself, if you have any queries or concerns about any of our activities.

A new feature in our hall is our brand new noticeboard (thanks to Made Possible carpenters). This noticeboard, as well as our website and Facebook page are there to help keep our communication at the highest level possible. Please keep yourself updated by checking our noticeboard regularly and also visit our website and our Facebook page.

In August this year some of our Leaders and helpers were acknowledged with Scouts Australia Adult Recognition Awards. **Carl Bowey** (AJSL, Ingarnendi) received a Silver Wattle, **Bryan Scherer** (Management Committee) and **David Branford** (ANZAC Day assistant) both received Certificates of Merit. I would like to thank all of these people for their continued work for Flagstaff Hill Scout Group.

As 2013 draws to a close I'd like to acknowledge everyone for another successful year. To our Leaders I thank you for your work and dedication to Scouting. Our Committee has worked tirelessly this year to support our Group and I thank you all for your continued work. To our Youth Members and families I would also like to thank you for being a part of our Group and I look forward to your continued involvement in the years to come!

Kuraka Joeys

5:45 to 6:45 Tuesday Night

Joey Scout Leader: Amelia LeCornu (0439 888 163)

The Tuesday night Kuraka Joeys participated in lots of fun events this term. Such as, glow-stick bowling, singing around the camp fire, a surprise circus fun night run by Dingo at which they participated in loads of fun filled circus activities. They made heaps of delicious snacks to share with each other on cooking night and were able to hold and pat the many different animals brought along by animal capers. For their "Fathers Day" activity each Joey brought someone special along with them and together they made a tool-box, which was definitely something for both people to be proud of. The Joeys went on a Penny Hike around the Flagstaff Hill area and took the long train ride in to town with the cubs to support their fellow members of Flagstaff Hill Scout Group at Gangshow (and their leader Dingo). We all finished the term off with a great game of bowling at Marion Bowland, everyone did really well and had a fun time.

We are all looking forward to achieving their Environment badge and taking part in the up and coming adventures of term 4 as there are many awaiting them!

Written by: Amelia LeCornu.

Ingarnendi Joeys

5:45 to 6:45 Wednesday Night

Joey Scout Leader: Rebecca Beer Smith (0419 854 368)

During term 3 the Ingarnendi Joeys did many different and adventurous activities and in fact focused on our Adventure Badge.

We visited the MFS station in town and each had a term on the hose (including the big kids) and got to see the station in action when the alarm went off and the firemen had to respond to a fire. We also visited Monday night Cubs for a cartoon night, some of us went on the Gang Show excursion in town and to finish the term off we went bowling at Marion Bowland.

Closer to home we had a campfire and glow stick bowling in the hall but one of the highlights of the term was when the Tuesday night Joey's joined us for a visit from Animal Capers. We started the animal visit by donating items for the RSPCA as part of the Scouts in action week. I would like to congratulate all the joeys as I delivered 4 boxes full of items to the RSPCA and they were very grateful. After we had shown our donations we sat down to listen to Jodie from Animal Capers who then introduced us to

her animals, There was a sleepy lizard, a giant leaf insect, a snowy owl, a possum, a ferret and a snake. The joeys really enjoyed this visit.

We would like to welcome Luca, Jake and Kieran to the group, it has been great having you this term. We would also like to bid a fond farewell to Jamie and Dylan who are

continuing up to Cubs, we wish them all the best.

We have so much planned for term 4 and will be focusing on our Environment badge. It will be a fun fill term ahead.

Written by: Rebecca Beer Smith.

Kaurna Cubs

6:30 to 8:00 Monday Night

Cub Scout Leader: Kathryn Affleck (0413 448 056)

The Kaurna Cub Pack has had a great term 3 and is looking forward to term 4! Last term we were delighted to see a majority of our members earn their Level One Flight Badge on our Gliding Camp at Armstrong Airfield. Some Cubs also earned their Level One Entertainers Badge after putting on a talent show for our parents and then going to see Adelaide Gang Show in September. Some other activities that Kaurna participated in last term are; a cartoon themed night with the Wednesday night Joeys, Scouts in Action Week, and to finish off the term, laser skirmishing!

We were also excited to see our membership numbers increase to 35, and would like to welcome Abi, Ben, Brayden, Connie, David, Emily, India, Katelyn, Luke, Riley and Rhys into our Cub Pack.

Last term we said goodbye to our Assistant Cub Scout Leader Chil (Matthew Wylie). Chil had been assisting in the Kaurna Cub Pack since January 2011, without his support and guidance the Cub Pack would not be

where it is today. Chil you will be missed, we wish you best of luck with your new job in Brisbane.

This term is shaping up to be just as exciting as the last! We will be making a splash at the State Aquatic centre at Marion, having a progressive dinner in our neighbourhood, getting back to basics with some outdoor skills, and finishing off the term with a beach party. We will also be having a wildlife snooze at the Scout Hall, with some native animals!

Written by: Megan Franzon and Kathryn Affleck.

Warriparri Cubs

7:00 to 8:30 Tuesday Night

Cub Scout Leader: Chris Taliangis (8370 6336)

The Warriparri Cub Pack (Tuesday night) has been very busy during the term 3. Our program for the term revolved around the First Aid level 2 badge. This included learning about DRABC, the recovery position, treating gravel rash & abrasions, how to treat bleeding and lots of other first aid things. Well done to all those that finished and received their badge.

Early August saw us all head to Noarlunga Ice skating rink for some fun ice-skating. During August we had a combined meeting with the Blackwood Cubs and had a visit from the Cherry Gardens Country Fire Service and one of their fire engines and a visit from SA Ambulance Service who brought along an Ambulance. Early September saw us have our family campfire, which was well attended. Akela apologises for his singing!

Saturday the 21st September saw Warriparri Cubs head off to the city by train to see the Adelaide Gangshows 2013 performance, which was performed, at the Scott Theatre.

During the Term we have gained many new faces. Our Pack has swelled to 37 members

and we have had to open a 5th Six which is named White Six.

Term 4 has started and the theme for our last term is "sports". Some of the things planned

for this term are fishing, ice blocking with Tarnda (Thursday night) Cubs, an international night and a party night.

Written by: Chris Taliangis.

Tarnda Cubs

7:00 to 8:30 Thursday Night
Cub Scout Leader: Steve Jaffer (8370 4497)

Term 3 at Tarnda Cubs saw us have some great fun and invest some new Cubs. Welcome to these new Cubs we hope you enjoy the experience. During the term we had a Lone Scout from overseas join us for a few nights, in his country Scouting is only just being allowed again due to political reasons and thanks to Hendri's Mum and Chris Wise, Hendri got to experience Cub Scouting with Tarnda and other Flagstaff Hill cub packs. To see how excited he was telling his Parents how much fun he had with our Cubs and how our Cubs made sure he had fun just reminded me how cool it is to be a Cub Scout leader.

During the term we finished our First Aid Badge, visited the Fire Station, went Ice Skating and had a Flaming-explosive Science Night at Blackwood Scout Hall with Blackwood Cubs. Term 3 also saw us visit Douglas Scrub for a 2 night camp in tents which had many camping and space related activities including making space ships, air pressured rockets, cooking over coals, planet bouldering, adventure trail exploring, space dressup and much more.

I would like to congratulate Ruby and Nick on a great effort putting together all the expected criteria for their Grey Wolf Badge, both Cubs continuing a excellent standard to achieve this badge.

Thanks also must go to all the Tarnda Leaders, a great team effort by these guys see the Cubs have some extremely safe and adventurous activities in a relaxed but disciplined atmosphere. Well done guys!!

Written by: Steve Jaffer.

From the Group Support Committee

Chairperson: Lynda Sandor

The Group Support Committee meets monthly on a Wednesday Night

The support committee started the year with several members standing down, so it was great to see so many new volunteers. Our 1st act of business as a new Support committee this year was to accept a Community Grant of \$4,500 for Maintenance & Equipment from MP for Davenport Ian Evans. What a fantastic way to start off the new committee.

Events: the community turn out for the Anzac Day breakfast continues to grow and was the largest we have had so far, around three hundred people attended the dawn service and the majority returned to our hall after for pancakes.

Family camp was another fantastic and well attended event, with a lot of new face. The weather was perfect and fun activities for the whole family, a good time was had by all.

Don't forget the end of year family break up at the end of term.

Hall and grounds maintenance is always on going, since the drain out the front of the hall was cleared we've had no flooding; repairing gutting at rear of hall, painting the eaves, and fire pits cleared out leading us into putting together a plan for upgrading this area.

Fundraising: the Woolworth's BBQ's have been very successful this year, bringing in a quarter of our fundraising target. I would like to take this opportunity to thank all of the families that have donated their time, and for your continuing support.

Equipment: with aid of the grant we have been able to purchase flags to use at BBQ's and camping events to easily identify ourselves; as well as Green Machines (pedal go-carts). With the combined cuboree & hoporee early next year and the large number of children that are eligible to attend, there may be need to purchase more shelters, marquees and other equipment. What a wonderful predicament to face, having so many active youth members attending activi-

ties!

There is much more that has been achieved this year, and I would like to say a big thank you to our wonderful support committee; without your time, ideas, support and enthusiasm we would not be able to achieve all that we have..... and thank you to all the parents that have assisted us at Woking Bees, BBQ's, Quiz Night, Fundraising, Cleaning the hall and so much more.

Written by: Lynda Sandor.

Karkanya Scouts

7:00 to 9:00 Wednesday Night

Scout Leader: Darren Sutton (0414 270 133)

Patrol Camp stories from the Scouts:

Alexia: "At the camp we did lots of things like the adventure trail, rock wall and orienteering course. I had lots of fun and learnt lots of stuff: reef knot and clove hitch."

Chris: "It was great. I would do it again."

Cooper: "The camp's adventure trail was extremely exhilarating."

Eloise: "In the holidays the Wednesday Karkanya Scouts went on a Patrol Camp to Douglas Scrub. It was held from 5pm Friday until 3.30pm Sunday.

When we got to Douglas Scrub we set up and went to bed. In the morning we had a little bit of trouble with breakfast and had to start again. This put us behind for the rest of the day but we made it up at dinner time. Before the camp we had to write up our own menus. When we got there we realized we should have thought it

through a bit more because we had some problems. Thankfully the Leaders were gracious and gave us what we needed. It taught us that we needed to think through every situation for what we need.

Some of the activities available were orienteering, nature walk, climbing wall, adventure course, camp gadgets, make a woggle or Patrol identity. My group did the adventure course. At the end of the course there was a rope swing and we stayed there for about twenty minutes. That was pretty fun. We also did the climbing wall which was good too.

I would probably go again because I had a good time and Douglas Scrub is really pretty."

Jesse: "I enjoyed the camp fire. I enjoyed the meals. And I enjoyed the adventure course."

Josh: "The camp was really fun. We were the RooOwls and camped furthest away from the Leaders. We made a rope swing and bridge over the creek. I went on the

adventure course 2.137 times. We were close to the bridge over to the toilets and were going to pull a Drop Bear prank. I learnt how to make a tripod/wash basin stand on this camp."

Lauren: "The camp was fun, we did lots of different things I enjoyed. Some of the things included the Adventure course, orienteering, rock climbing and camp fires."

Sarah: "Our campsite was really cool as we got to make our own gadgets such as our gateway. We also got to have heaps of fun cooking all our own meals. Over all I had an amazing time and can't wait for our next camp."

Tom: "The Patrol Camp was a camp that was done in Patrols. It was a camp in Douglas Scrub. There was an adventure trail, nature course, orienteering, hike and a camp fire. We had to cook, plan and sleep at the camp site."

Jindalee Scouts

7:30 to 9:30 Friday Night

Scout Leader: Trevor Rogers (8270 2433)

At the beginning of the term we had our yearly debate with Belair at Belair Scout Hall. The topic was "Did man land on the moon" we were on the affirmative unfortunately we lost but it was a very close result. Our team did an excellent speech as they were all new to debating.

In term 3 Jindalee Scouts attended two district events, the District Hike in Kuinto forest with 14 out of our 28 scouts attending & 5 attending the night hike.

The night hike started at 7pm on Chapel Hill Road & finished at 7:30am at Port Noarlunga Scout Hall, we covered 18kms. We had three scouts who had never hiked before; they did an exceptional job of keeping up with the group. Approximately 40 scouts from the district attended. The journey was very hilly but it was amazing to see all the glow sticks moving through the dark of night. Jindalee had the highest number of scouts attending both events.

We also had a Laser Skirmish night at Noarlunga which was organised by two of our patrol leaders, Talia Goodliffe & Carli Munro for their badge work. All the scouts had a fantastic time.

The scouts also took up a campfire cooking challenge using ingredients leftover from previous camps. Out of the three groups only one group made anything that was edible, a chocolate cake. It was a bit burn on the bottom. The campfire cooking with no recipes & random ingredients was a great learning curve for the scouts.

The scouts also started on their First Aid knowledge, they all learnt to put a person in the recovery position & what DRABCD means. Next term we will expand on this knowledge.

Jindalee has not attended any Branch activities as we thought it best to establish new

relationships in our new district.

If there are any parents who would like to join us a regular parent helper or leader we would greatly appreciate you joining us, feel free to chat to anyone of the leaders.

Written by: Trevor Rogers, Orna Terpstra & Cher Terpstra.

Venturers

7:30 to 10:00 Friday Night

Group Leader: Chris Wise (0401 570 800)

It's almost the end of the year for everyone. Term 3 went so quickly for the venturers.

Our venturers have been working hard last term. We said goodbye to our Danish exchange students who hosted a fantastic night making cakes with different challenges to get good or bad ingredients to decorate the cake with.

Our newer venturers Jayde, Stephen, Lachlan, Thomas and Andrew attended a venturing skills camp with the trailblazers unit at Woodhouse. They did everything required to get their venturing skills badge.

Near the end of the term we had HAVAC Rovers visit us to run an activity and to tell us more about their Rover crew; this was informative because we have quite a few older Venturers going up next year.

The unit also attended Gang Show to see some of the members from Flagstaff Hill

Scouts perform. One of our Venturers, Eliza, organised a dusk to dawn playground night, although everything didn't go to plan everyone had a great time all in all.

Our Unit Chairperson, Laura, also attended the Mawson Scholarship in leadership course over the holidays in Victoria, which is an advanced leadership course for Venturers.

During term two and three we have said farewell to two of our Leaders – Matthew and Simon. Both have moved on due to work commitments and we thank them for all the work they have done for our Unit. By losing these Leaders we are also short of some Leaders and would love to have some new Leaders join! We are now up to 17 venturers in our Unit.

Next term even though it's shorter we have a lot going on. We will be working with the Jindalee Scouts (Friday night) to fill the erosion site in the gorge with newspaper as part of an environmental project.

Many Venturers are working toward their Queen's Scout so they will have plenty of nights filled with badgework but having fun at the same time.

At the end of the term we have our annual state camp SuperSplash which is usually at Morgan but this year it's being held at Roonka. This is open to Venturers and Scouts who are 14 years and above as a linking activity.

Written by: Laura Terpstra (Unit Chairperson).

Mawson Scholarship in Leadership

Venturer Section Course

Held in October on the Mornington Peninsula, Victoria

First week of the holidays I attended the Mawson Scholarship in Leadership course at Bay Park on the Mornington Peninsula in Victoria. The South Australia branch had recommended that I attend this course. I flew out of South Australia with two other venturers from the state. We arrived in Melbourne and were already set to do a challenge. The Rovers had organised a scavenger hunt and multiple activities for us to do. Eventually we arrived at our camp site where we would spend the next 4 days. Here we met everyone who would be there for the week from around Australia. There were 23 of us attending this course.

Our days were very long; we were woken up at 6:30 every morning and had about 6 sessions every day. We did many sessions about leadership, and other things around that. Each day we would also have patrol meetings to pick a different patrol leader for the day. Every day we were served breakfast, lunch and dinner as well as morning and afternoon tea.

The first full day we were at Bay Park was a long one, we were put in patrols and these were the Venturers who we did all our activities with for the week. All day everyone was

worrying about what the initiative session was, which was run by the Rovers, at 10:30 pm we were all told to put on warm clothes and comfortable walking shoes and be back by 10:45. From there we were told that the session would finish at 1am. For us it was like hell, all we wanted was to go to bed after a long day. The activity ended up being a homemade geocaching, which was plenty of fun.

Wednesday was another full day. We had another 6-8 sessions. These ones were more about team building and being a leader of a team. One session was a minute to win it type activity where everyone in the patrol had to take it in turns to win a different game. Another session was where we were sent down to Challenge Valley and the patrol leader (who I happened to be at the time) was the "cub" leader and the other venturers were "cubs". Each "cub" had a different scenario they had to act out that was given out after about two activities. This was a hard task for me because I wasn't used to such extreme cubs who either didn't want to do anything, or tried to do everything a million times. It really tested my leadership.

Thursday was our most packed day Aaron (the course leader) ran a 5 hr session. In this session we had to plan an offsite activity for a Jamboree. We had a budget and a few restrictions and from there we were set free. At first we had a lot of trouble deciding on an activity which caused a lot of arguments within the group. It was a long 5 hrs. At the end each patrol presented their activity and what was planned for it, the budget, logistics, the main activity and the other aspects to organising an activity. That night we had 6 special guests from National and the Victorian branch come for dinner. This taught us how to present ourselves nicely and hold a dinner conversation. It was also a great opportunity to experience what it would be like to actually be at a formal scout dinner.

Friday was our final day, we had two easy sessions and did a lot of cleaning. We also had our course photo with everyone who attended the event which is a great memory to keep. Everyone completed the course successfully. It was great to meet everyone from around Australia and the course was great overall, I really enjoyed myself.

Written by: Laura Terpstra.

2013 Adelaide Gang Show "Now Hiring"

Scout and Guide Performance
September 2013

From the Cast:

This year Flagstaff Hill Scout Group were lucky enough to have 8 members be apart of Adelaide Gang show, these were 4 leaders and 4 youth members apart of the cast and 1 leader apart of the back stage. Adelaide gang show is a variety show performed every year in September, by the Scouts and Guides of South Australia at the Scotts Theater of Adelaide University. Adelaide gang show has been going strong for 53 years. This year Adelaide Gang show's theme was now Hiring so it was focused on the different careers that a person could do.

The cast of 110 had to audition which were held in March and April of this year, at the either St Peters or one Saturday in Scout Headquarters which is the last audition then the production team spends hours picking and putting the cast into the roles that need filling. The production team tries and put each cast member into at least 8 parts throughout the show.

This year rehearsal Began on the 13th of May 2013, the cast of 110 spent every Monday night from 7pm to 9:30pm for 18 weeks which included the school holidays rehearsing, all the songs, dances and skits, and putting them together, so they would look really good stage. Not only did the cast have Monday night rehearsals but we also had to 2 full weekend rehearsals with early calls on the Saturday morning and a full Sunday rehearsal making sure everything was prefect and ready for the cast and crew bumped into the Scotts Theatre.

Saturday the 14th of September came along really quickly and from 5pm all 110 cast members arrived at the theatre and hung up their costumes, had a tour of the stage, learnt where we would need to meet if there was a fire evacuation (and there was one). At about 6:30 we all meet in the theatre and Darren who was the producer of the show had a quick chat with us on how the weekend would run. After that all cast was sent down to the dressing rooms to get our costumes on and ready to start the run through, we left the theatre at 9:30 on the Saturday and had to return to the theatre for a full day of running through every item.

Monday night was the first time that we had an Audience. There were only about 20-30 people who came to watch it these were

mainly scout groups who meet on a Monday night. The show went off with out a problem; Tuesday was opening night and seemed to be a lot bigger audience. The rest of week seemed to just fly by, arriving in theatre at 5:30 to get ready to be on stage at 7:25 ready to WOW the new audience every night. As the week went on the bigger the audience got. Friday night saw the Ventures in the Audience to Support their fellow Ventures and members of Flagstaff hill. Then the Saturday afternoon saw the rest of Flagstaff Hill came and support all the cast on stage.

This year saw just 80 members of Flagstaff come and watch Adelaide Gang show over two days. On behalf of the members of Flagstaff hill scout group who were on stage I would thank everyone who come to watch the show and hope to see you there next year.

Next year's theme for Adelaide gang show is RADELAIDE YEP you guessed it is all about our Great State Adelaide, the show will be back at Scott theatre between the 22nd of September and the 27th of September so the last week of term 3

For any youth member, if you sat in the audience and were like I want to do that next year. You need to be member of the scouting movement and be between the age of 8 and 30 to be on the stage. Below is the link to download the Audition form:

www.adelaidegangshow.com/documents/ags2014application.pdf

Written by: Victoria Petchell.

From an Audience Member:

On September the 21st Joeys, Cubs, Scouts and Guides from all over Adelaide went to Scott Theatre in the city to see the Gang Show.

Flagstaff Hill Joeys (Tuesday and Wednesday) and Cubs (Monday and Tuesday) met at Blackwood train station.

When I first got there I saw my friend Carrie. Only minutes later the train arrived. I sat next to Carrie on the way there. We saw lots of houses and we saw some sheep. It was very noisy on the train because everybody was excited and talking loudly.

We got out of the train on the 7th stop and walked for about 10 minutes. Then we had lunch outside Scott Theatre on the grass. After lunch we went into the theatre. I sat in row 1 and on seat 6. There were a lot of people and it was very crowded in the foyer.

My favourite part was when a boy sang "If I wasn't a cub scout, I'll tell you what I'd be, if I were not cub scout I'd be". Lots of other people came out & acted the song with him. In the end the boy sang that he wanted to be a girl guide. I thought that was really funny.

Another funny part was the rhyme Old Macdonald Had a Farm. Two men sang the rhyme and they had a competition on who had the best and the biggest animal. In the end one of the men said "old Macdonald had a farm E-I-E-I-O and on that farm I have had enough E-I-E-I-O" and then that part finished. It was the best gang show!!!

After the Show Akela took us back on to the grass and the Leaders had some ice blocks, for the Cubs and the Joeys. After a little play we walked back to the city train station and we got in the train.

I sat next to Carrie again. When we got back my mum was there so, I went home after saying goodbye. This year's Gang Show was fantastic!!!

Uniform Guidelines

Families are reminded of a few things in relation to uniforms for members of our Scout Group. Scouting is a uniform organisation and it is expected that all Youth and Leaders wear the uniform as appropriate

Shirt:	Appropriate section shirt.
Scarf/Neckie:	Flagstaff Hill Scout Group scarf/neckie with woggle.
Bottom:	Pants or shorts as appropriate. Pants or shorts should be in good repair and a single colour (dark blue, green or black for example). Stone/Bone is required for official Scout functions (ANZAC Day and other such important activities).
Footwear:	Sneakers or boots. No sandals, thongs or crocs are to be worn unless specifically advised by Leader prior to activity.
Badges:	All badges should be sewn on the uniform as soon as practical after investiture. Refer to uniform diagrams in record books or available from the Group if you are in doubt.

**Please note, some sections have their own uniform guidelines.
Please speak to your Leader if you have any questions.**

Latest News and Information

Keep up to date with our latest news and updates via:

www.facebook.com/flagstaffscouts
www.flagstaffhill.sa.scouts.com.au
www.flagstaffhill.sa.scouts.com.au/calendar

Do not forget to check out our new and improved noticeboard in the Scout Hall!

Sign In and Sign Out Books

Our Group has sign in / out books for all members to assist in tracking attendance and ensuring the safety of all members.

Parents/Caregivers of Joeys, Cubs and Scouts are required to sign their child in at the start and out at the end meeting. **Dropping children off in the car park and leaving is not permitted!**

Venturers are able to sign themselves in and out.
