

# Flagstaff Hill Scout Group “WARRA” Newsletter

[www.flagstaffhill.sa.scouts.com.au](http://www.flagstaffhill.sa.scouts.com.au)

Term 2 2014

*We hope you enjoy this edition of the “Warra”, the official newsletter of Flagstaff Hill Scout Group.*

*Read and learn more about our dynamic Scout Group! Are you interested in getting involved? We would be delighted to have you!*

## From the Group Leader

Chris Wise (0401 570 800)

Term 1 was a very busy term for our Group as you will read in the WARRA this issue. Thank you to everyone for a great term! It's great to see lots of new faces and their families joining in our Group!

During term 1 we participated in Clean up Australia day. Thanks to Alicia Bugden one of our Venturers for organising this for our Group. Over the holidays we had an important activity in our ANZAC Day dawn service. A team of people assisted in putting this day together and I'd like to thank Cher Terpstra, Natasha Wood, Tim Joy, John Michell, Peter Michell, Craig Bugden, David Branford, Janet Crowther, Tash Wylie and our Venturers for planning and carrying out this important activity in our community.

In the last week we've had our Family Camp and AGM at Woodhouse – a chilly weekend but a great one nonetheless with many families involved. Thanks go to the team who put this great weekend together.

An important part of this weekend was our AGM. While most people run when you say the word AGM, it is an important step in the management and governance of our Group. During the meeting I reported about the strengths of our group and opportunities for the coming year. Our

Leader team is very strong, with an average 'service' to Scouting of 8.3 years (the normal average is around 3) – having such an experienced group of Leaders delivering our program is a great thing. We do need more Leaders though and this is a major focus of our Group this year. If you are interested in taking on a Leader role please do contact me.

The support of our Leaders is important to ensure we can continue to offer great Scouting. During our survey last year we identified a number of areas to 'improve' on and work on as a Leader team and also for our Committee. I ask each and every one of you to help out wherever you can – transport to and from activities, camps, helping to collect forms or money at a section night, responding when called to volunteer to help out and much more.

An important item I need to remind all families about is the need to inform us of details relating to your child. Activities we do out of the hall require Y4 - Parent Advice forms to be completed that give us up to date information on medical conditions, allergies and emergency contact information. It is important these are completed fully and giving as much detail as possible. Your information is kept

confidential to the Leaders who need to know. If we don't know, it is difficult for us to support your child.

I would also like to thank the members of our Group Support Committee and in particular welcome them and our new members for the 2014 year. Led by Lynda Sandor, this team does great work for our Group – I encourage you to please support them in all the activities, fundraising and other support events they put together. I would also like to thank James Sinclair who stepped down at this AGM – James was a driving force in maintenance at our hall – thank you for your contributions.

## Kuraka Joeys

5:45 to 6:45 Tuesday Night

Joey Scout Leader: Amelia LeCornu (0439 888 163)

Kuraka Joeys had a fun filled first term, with Wet n Wild games, a Hallett Cove Beach visit, Founders Day and First Aid activities and a visit with Ingarnendi Joeys to the Marion Aquatic Centre. Best of all was our Winter Olympics night where the Joeys enjoyed competing in Ice Skating, Tobogganing and Curling, Indian night we had a Dad from India come in to teach the Joeys an Indian game, they tried Indian food and drink and learnt about what is in India. Science Explosion night was so much fun as well, there were so many activities for the Joeys to Participate in such as the Mentos explosion, Elephants Toothpaste and the old Volcano Explosion. The Joeys that went on Evolution had a great time!

There are many more engaging activities coming up this term for Kuraka Joeys.

**Written by: Amelia LeCornu.**

## Ingarnendi Joeys

5:45 to 6:45 Wednesday Night

Joey Scout Leader: Rebecca Beer Smith (0419 854 368)

The Wednesday night Joeys had another busy term to start the 2014 year with many exciting nightly programs and the great weekend for all at Revolution. Nightly activities included a focus on water activities with a messy night, a visit to the beach to find and race crabs and then a visit to the Marion aquatics centre. The term also included a night of winter Olympics plus a Mexican fiesta in which some tasty food was created and enjoyed. The term concluded with some Easter craft and activities enjoyed by all.

We farewelled a few Joeys during the term up to Cubs and whilst they will be missed we wish them all the best for their upcoming adventures.

The Mob continues to maintain our numbers with new Joeys coming along most weeks to join in the fun that Joey Scouts has to offer.

**Written by: Carl Bowey.**

## Kaurna Cubs

6:30 to 8:00 Monday Night

Cub Scout Leader: Kathryn Affleck (0413 448 056)

Term One flew by for the Kaurna Cub Pack - and we had so much fun! The Kaurna Cub Pack learnt about bike safety at the SA Police Road Safety Centre, ate cake to celebrate Baden Powell's birthday, slid down hills on giant blocks of ice, rode on green machines and skated on ice. Throughout the term Cub Scouts worked on sections of their Level One and Level Two Photography Achievement Badge. Sixteen Cubs and their families attended the Second Annual Kaurna Cub Pack Bike Ride and Family Beach Day. However the highlight of the term was Revolution 2014 - thirty one Kaurna Cubs attended this fantastic event.

Throughout the school holidays the Kaurna Cub Pack participated in the ANZAC Day Dawn Service at Flagstaff Hill. The children laid tissue paper flowers, made by the Cub Scouts, during the Ceremony. As a leadership team we were very proud to see so many children attend this Service and remember those who have fought and continue to fight for our country.

What exciting events are coming up for the

Kaurna Cub Pack? This term we will be participating in some crazy science experiments, cooking up a storm, singing around the campfire, exploring the gorge by torch light and going ten pin bowling. The Kaurna Cub Pack will also be visited by various community organisations and learn about "good turns" as part of our Level One and Level Two Citizenship Achievement Badges. On the weekends the Kaurna Cub Pack will be joining Scouts across the world in Jamboree On The Trail (JOTT) and having an Environment Camp Out at Aldinga Bay Scout Hall. In Term Three the Kaurna Cub

Pack will be exploring the caves at Naracorte - we are really looking forward to this adventurous weekend.

The Kaurna Cub Pack is currently looking to expand its Leadership Team. If you, or anyone you know, is interested in becoming an Assistant Leader, weekly Parent Helper or Youth Helper please contact Kathryn (Akela).

**Written by: Kathryn Affleck and Megan Franzon.**

## Warriparri Cubs

7:00 to 8:30 Tuesday Night

Cub Scout Leader: Chris Taliangis (8370 6336)

The Warriparri Cub Pack (Tuesday night) had a busy term 1 concentrating on our Level 2 Bicycle badge. Cubs learnt how to mend a puncture, how to keep their bike in good condition, what makes a bike roadworthy and what types of bikes are out there. Cubs were taken to the Police Bike Training School where they went over the road rules that pertained bike riding. Towards the end of term 1 Cubs went on a bike ride that followed the River Torrens Linear Park from the city centre through to the sea, a distance of 14 kilometres. A big thank you to all Cubs for their wonderful behavior and to all the parents that joined in on the ride and to those that set up and cooked the sausage sizzle. The weather was fantastic, little wind and outstandingly no one crashed! All bikes made it to the end without any mishaps.

Warriparri also joined the Groups two other Cub Packs and the Joey Mobs in a state Cub & Joey Camp at Woodhouse called Revolution. This also was a great

success. Thanks to all the leaders involved and of course to the many parents that helped with transport, putting up tents, cooking and then those that helped pull down tents etc.

Term 1 also saw Warriparri visit the SA Aquatic & Leisure Centre for a fun night of water activities.

This Term we will be concentrating on our Level 2 Photography Badge, our

older Cubs will be attending the District 10 Year Old Hike and later in the term families along with Cub Scouts will be going on a coastal hike. The term will conclude with a family campfire.

Warriparri was very proud to have two Cub Scouts get presented their Grey Wolf Award. Congratulations to Ella H and Hannah L. Well done to you both.

**Written by: Chris Taliangis.**

## Tarnda Cubs

7:00 to 8:30 Thursday Night  
Cub Scout Leader: Steve Jaffer (8370 4497)

A fantastic start to 2014 for Tarnda Cubs in Term one which saw us taking part in many different activities and finishing up with the State-wide Cuboree Camp at Woodhouse, which for most Cubs will be the biggest, and probably busiest, camp they will take part in during their time as a Cub Scout.

Two of the themes for Cuboree was Pirates and Commando so the Cubs got to make pirate themed hats and swords, 'walk the plank' above 'crocodile infested' waters (climbing across planks laid across hay bales) and navigating their way through a pirate themed adventure course at Treasure Island! They played wide games in the great outdoors like Capture the Flag (with a pirate twist), a game of giant Battleships and launching 'catapults' at pirates and other odd looking Venture Scouts dressed up in Onesies! They were able to crawl through mud, if they wanted to, at Pirate Cove, navigate their way through a cardboard box maze at Finding Nemo and had the chance to play old-fashioned style circus games such as the High Striker. Commando, for many, was a favourite with the chance to try out Challenge Hill and crawl through more mud, dirt

and adventurous army style courses set out amongst the trees and outdoor spaces at Woodhouse. Rock climbing was also a favourite, scrambling up the Climbing Walls then abseiling back down again. Altogether a fantastic time for our Cubs at Cuboree at the end of Term One!

During Term One we welcomed Paige, Jamie and Caitlin, new to our Pack and Natasha W and Laura C completed their Basic Training and were awarded their Gilwell Woggle in recognition of this.

Term one also had us taking part in Founder's Day, an event where the Hills to Coast District held an evening of games and activities to celebrate the birthday of Robert Baden-Powell. In the couple of weeks before this, Tarnda Cubs helped to make and paint a Jungle Book themed board for a fun wet sponge throwing game at Founder's Day which proved a real hit on the day!

We took the Cubs to the Beach at Sealcliffe to play beach games in the sand like Acid

Beach, running races, a treasure hunt and making sandcastles. Tiffany W brought in her pet snake for a visit which was great and we also held an Around the World in 90 Minutes night covering some information for the World Friendship badge and we celebrated Harmony Day with different craft and cooking activities.

To finish off our busy term we had a night hike in Sturt Gorge with torches down to the Dam Wall so see what it looked like in the dark and a Talent Night which proved fun for all especially when Akela and Hathi got up to perform their version of the Tradie's Dance which made us all laugh!

We are now looking forward to Term Two with a fun visit to Laser Skirmish, a campfire, making possum boxes, a sleep-over at the Hall and a hike in Belair National Park as part of Jamboree On The Trail (a world-wide Scout hiking event) and a visiting ambulance to the Hall!

Written by: Laura Cooper.

## Venturers

7:30 to 10:00 Friday Night  
Group Leader: Chris Wise (0401 570 800)

This past term has been a very busy start to the year for the Flagstaff Hill Venturers. We started off by electing the unit council for the first 6 months of the year. Those elected were Caitlin Knell for Chairman, Laura Terpstra for Vice Chair, Jordan Green for Secretary, Drew Beer Smith for Treasurer, Stephen Marshall for Quartermaster and Jayde Munro for Fundraising.

Activities during February included a green machine night which consisted of a race with the green machines around an organised race track at the Venturers den and an aquatic night at Pt Noarlunga swimming centre. We held a Venturing skills camp so the ventures that had not completed their Venturing Skills were able to complete it. Eight members of our unit attended the camp. We had an AV fundraising BBQ in February to help the members of our unit raise some money to go to AV2015. We also attended the district Founders Day during which we had a chance to invest two new members to

our unit.

March started with Clean Up Australia Day that one of our venturers organised. We also had a Rover Quiz Night, word hunt and went to see the Adelaide 36ers play at the Adelaide Arena one night. We also attended a night that the scouts had organised for us to join. We had an AV fundraising BBQ again and we will do so every month. We were lucky that in March we were able to remove our sink in the den to add more room and to be able to install a door for our Q Store.

In April we had a kit night that one of our members had organised so that the other members could understand what is essential for camps and hikes when you need to pack a rucksack, especially as we had members of our unit going to the Easter Venture. We were lucky to have an insight into one of our leaders past work with the army and to see what conditions they have when they are on duty. We had

another night that was organised by two members of our unit which was a game show night. Some of our unit members had attended the Anzac Vigil and Dawn Service, followed with a very successful pancake breakfast back at the hall.

This last term we had a lot of unit council meetings as we have very enthusiastic members that would like to complete their Queen's Scout before they turn 18. We were lucky to have leaders that had taken time out of their weekends so that we could come together as a unit to clean up the den and the Q Store. We have another busy term this year as we have a lot of activities being organised by members of our unit and we are all very excited.

Written by: Caitlin Knell (Unit Chairperson).

## Karkanya Scouts

7:00 to 9:00 Wednesday Night

Scout Leader: Darren Sutton (0414 270 133)

Term 1 has been a blast for Karkanya Scouts. Ice blocking at Seacliff kept everyone cool in the hot summer and provided some entertaining spills and thrills. Several of the older scouts also several nights this term as part of their ASM (Australian Scout Medallion) work. One of these was fire awareness night all the scouts learnt a lot and we also had a visit from a member of the MFS. The scouts also improved their cooking skills this term, learning to cook in several different stove types, some having more success than others with a few setting fire to things.

Several of the PL's and APL's also went on the District leadership camp this term. They all learnt a lot about how to lead a patrol as well as many other handy skills including how to carry an egg through Challenge Hill and not break it. The scouts also made friends from other scout troops in the district and all had a ball throughout the whole camp.

Our major camp for the term was

Roonka. After the long drive up and a good night's sleep the first night the scouts were keen to get out the next morning. Their first activity was to build rafts and get from one side of the billabong to the other and back, while most made it across the journey back resulted in many rafts falling apart. The scouts had lots of fun the rest of the camp swimming in the billabong, flying through the air on the flying fox, catching shrimp and turning themselves into mud monsters with a few of them ending up covered from head to toe in thick black mud. All the scouts enjoyed themselves so much that it looks like Roonka will definitely be happening again. Hopefully next term will be just as exiting for

Written by: Steph Tite.

### District Leadership Course:

Leadership course was great! It was really fun and exciting and there was never a dull moment. We learnt so much like how to make woggles and how to stop a rope from fraying and so much more. I made so many new friends who are PLs and APLs just like me from all over the district. (Hills to Coast) If you have never been on a leadership course I would highly recommend it. It is very informative and you will have a great time!

Written by: Eloise (Panthers Patrol Leader).

## Jindalee Scouts

7:30 to 9:30 Friday Night

Scout Leader: Trevor Rogers (8270 2433)

We invested four cubs into scouts at the beginning of the year Ruby, Sophie, Nick & Hannah & two of our scouts moved up to Venturers, Justin & Kara.

We had a fun night at Brighton Beach swimming, crabbing & fishing. Most of the scouts went swimming & a couple did some fishing. They didn't catch anything but had a good time trying. They also built sand castles. We attended Founder's Day with other groups from the district, the second one for our new district.

We had six of our scout attend the District Patrol Leader training weekend. The scouts learn leadership skills on weekend including practical & theory work as well as team work.

We had our annual Goolwa camp, which was well attended. The scouts have to prepare, cook, serve & clean up every meal. They had a hike into Goolwa with

questionnaire along the way. We had a hike from Beacon 19 to the beach with swimming & dune jumping. They also had raft building on Sunday trying out their knot work.

The Venturers joined us for a night of games; one game was very messy with flour, water & Easter eggs. Most scouts & venturers ended up covered in flour.

Part of the badges that the scouts can obtain requires them to organise a patrol Activity. Michael organised an evening at Intensity Marion & Hungry Jacks for himself & three other scouts. He did a fantastic job for his Red Level & his first time organising an outing. Georgia organised an outing to the movies & dinner for herself & 5 other scouts for her patrol activity. The other scouts that didn't have an activity organised met at the hall for a skills night.

For our last couple of nights we had construction with ropes & pioneering poles, building a tower and a magic evening, where the scouts performed any tricks that they knew.

Written by: Cheryl Terpstra.

# Revolution 2014

**Combined Hoporee (State Joey Camp) and Cuboree (State Cub Camp)  
Friday 28th March to Sunday 30th March**

Revolution 2014 was the combined Joey Hoporee (state Joey camp) and Cub Cuboree (state Cub camp) held from Friday 28th March to Sunday 30th March. A total of 120 Joeys, Cubs, Youth Helpers, Leaders and Parents attended the event from Flagstaff Hill Scout Group - they joined 3000 others from around South Australia.

Revolution 2014 was an awesome, exciting, fantastic, wonderful weekend. Joeys and Cubs participated in range of activities - they went "arrh" with the pirates, swam into a land under the sea, learned magic tricks at the circus, crawled through the mud, puzzled at logic activities, raced through commando courses and climbed a rock walls. It is hard to believe how much fun and excitement was crammed into one weekend!

Thank you to the many people who assisted in making the weekend a success for the Flagstaff Hill Scout Group. Thank you to the parents who assisted with packing and unpacking the trailer as well as those who assisted with setting up and packing up our campsite. Thank you to the Joey Parents who attended with their children, the cooks who ensured we were all well fed throughout the weekend as

well as the Parent Assistants who attended with the Kaurna Cub Pack. However the event would not have been possible without the time and assistance of all the Leaders who attended the weekend - thank you for your work. A particular thank you to Chris Wise (Group Leader) and Steve Jaffer (Cub Scout Leader - Tarnda Cub Pack) who were the main organisers for the Scout Group - thank you for your many hours of planning.

Now Revolution 2014 is over we cannot wait for the next Joey Hoporee (2016) and Cub Cuboree (2017)!

**Written by: Kathryn Affleck (Cub Scout Leader - Kaurna Cub Pack).**

A competition between all South Australian Cub Scouts occurred throughout Revolution to name this wolf cub. Congratulations to Ella G (Kaurna Cub Pack) whose name - Storm - was chosen.

## Uniform Badges

Families are asked to please check their child's uniform to ensure they have the correct badges sewn on them. If your child's uniform has incorrect badges please contact your Section Leader to arrange appropriate badges.

The badges your child's uniform should have on them as a minimum are:

- World Scout Badge (purple).
- Australian Scouts Badge (flag).
- Hills to Coast District Badge (pictured, left) (not the old Highlands District Badge).
- Scout Group Name Tape ("Flagstaff Hill Scout Group, South Australia").
- Section Name Tape (ie "Kaurna Cubs") (excluding Venturer Section).

## From the Group Support Committee

**Chairperson: Lynda Sandor**

**The Group Support Committee meets monthly on a Wednesday Night**

We started 2013's new committee with a visit from our local MP for Davenport Ian Evans and candidate for Fisher Sam Duluk who presented the scout group a cheque for a community grant for maintenance projects.

Denise Ahern (Secretary) & I attended a short training course run by Scout HQ, about roles and responsibilities for support committees.

We reached our fundraising target by undertaking several different types of fundraising.

- Time: BBQ's at the local Woolworths & Bunnings.
- Sales: Kytons, Cookie Dough and Living Fundraiser.
- Recycling: scrap metal.
- Social: AFL football tipping and Quiz Night.

This has allowed us to purchase banners and green machines as well as replace our damage tents.

Socially we organised a family Karaoke Night, and at the end of the year held a kids Disco. A big thank you to Rebecca Beer Smith (Assistant Group Leader) for running both of these events.

We also held a BBQ at the end of the year for all families and Leaders. Thank Victoria Swallowe (Group Support Committee) and Kathryn Affleck (Cub Scout Leader—Kaurna Cub Pack) for all the work they put into organise the end of year BBQ. As well as Tanya Lehmann (Group Support Committee) and her husband for cooking all of those sausages on such a hot day.

Lastly, I'd like to thank James Sinclair (former member of the Group Support Committee) for all of his hard work in maintaining the Hall and grounds. Some of the maintenance projects undertaken this year were; the new notice board, unblocking the front drain, replacing doors on the boys toilet and in the Venturer Den, replacing and repairing guttering, cleaning out fire pits, fixing the retaining wall, graffiti removal as well as grounds maintenance.

I'm looking forward to another eventful year. Thank you for all of you support.

**Written by: Lynda Sandor (Chairperson).**

## Group Support Committee For 2014

**Chairperson:** Lynda Sandor

**Secretary:** Denise Ahern

**Treasurer:** Steve Franzon

**Assistant Treasurer:** Martin Cooper

Janet Crowther

Alison Kenning

Darren Langsford

Tanya Lehmann

Victoria Swallowe

Andy Terry

Julie Webb

## 2014 Family Camp

**The Flagstaff Hill Scout Group held its annual Family Camp on Saturday 3rd and Sunday 4th May! It was a fantastic day!**

**Read about peoples experience below.**

We liked Challenge Hill the best.

**Ali H and Emma H (Kaurna Cubs)**

The Family Camp is an awesome idea because you get to do stuff you normally wouldn't get to do with your family.

**Emma W (Kaurna Cub)**

The kids did Green machines down the hill, built a castle using cardboard boxes, knock down the castle with sling shots, earth ball games & capture the flag. Plus stilts, colouring in activities and giant connect four.

I think the castle and sling shots was the most popular. We couldn't seem to knock the castle down with the nerf balls, so after a while all the kids dove on top and crashed up all the boxes. Some kids stayed in the middle using boxes as shields and the parents were sling shooting them! I think we all had some fun.

**Janine Frost (Joey and Cub Parent)**

I liked racing the bikes down the hill.

**Paul Hodgson (Cub Parent)**

I liked the treasure hunt.

**Zoe H (Future Joey)**

Our first Family Camp was an amazing experience. The children were an inspiration and the parents were open and friendly. The food was fab, particularly the evening meal.

All the challenges for the children were great fun, some were hard for the parents to watch! I made it over the scramble net thanks to Narelle but that's nothing compared to the wire bridge the kids traversed over the river which contrained rocks and very little water!

Huge thanks to the organisers, we look forward to next year but I will be investing in some thermals!

**Dawn Gould (Cub Parent)**

I liked the fresh morning air! :) )

**Narelle Hodgson (Cub Parent)**

I love the Family Camps because there is awesome activities to do with your family including Challenge Hill. I loved 'The Mouse-trap' and the big slide at the end.

**Kate W (Kaurna Cub)**

## Upcoming Events

Additional information available on the Scout Group website at:  
[www.flagstaffhill.sa.scouts.com.au/calendar](http://www.flagstaffhill.sa.scouts.com.au/calendar).

### Term Two:

Saturday 24th May	Woolworths BBQ
Saturday 28th June	Woolworths BBQ
Saturday 26th July	Woolworths BBQ

### Term Three:

Saturday 23rd August	Woolworths BBQ
Tues 23rd to Sat 27th September	Gang Show Performances
Saturday 27th September	Woolworths BBQ

### Term Four:

Saturday 25th October	Woolworths BBQ
Saturday 22nd November	Woolworths BBQ
Sunday 30th November	End of Year Family Function
Saturday 20th December	Woolworths BBQ
