

Flagstaff Hill Scout Group “WARRA” Newsletter

www.flagstaffhill.sa.scouts.com.au

Term 4 2014

We hope you enjoy this edition of the “Warra”, the official newsletter of Flagstaff Hill Scout Group.

Read and learn more about our dynamic Scout Group! Are you interested in getting involved? We would be delighted to have you!

From the Group Leader Rebecca Beer Smith (Acting Group Leader)

Hi all and welcome to Term 4 – not long now and it will be the end of another year of Scouting – what a busy and exciting year it has been.

Our Group continues to grow and develop

– over the last term we have welcomed a number of new families into the Group and just recently had the opportunity to invest a number of new Leaders. Welcome to you all and we hope you have a very positive experience with Flagstaff Hill Scout Group.

As you may have read previously Chris Wise, Group Leader will be stepping back in Term 4 as Group Leader to concentrate fully on his role as Chief Director of the 16th Australian Venture (AV2015) being hosted by Scouts SA (www.av2015.scouts.com.au). By making this adjustment it means the Scout Group leadership can continue with minimal impact also. During this term Rebecca Beer Smith, Assistant Group Leader, will be the Acting Group Leader.

I started out my Scouting life here at Flagstaff Hill, at the age of 14 till 18 as a Venturer, and have continued to be involved in Scouting as a Rover from 18 to 26 yrs through until now at the age of 34 being involved again with Flagstaff Hill for the past 5.5 years as a Joey Leader and for the past year as assistant Group Leader. I have two daughters, Drew and Alyssa. My eldest is in the Venturer unit here at Flagstaff Hill after coming up through Cubs and Scouts. My youngest went through the Joey and Cub sections. I am an Office Manager by day and a very busy Mum and Leader at all other

times.

The programs that sections have planned for Term 4 look exciting and I am sure all our Youth Members will have a great time over the course of the remaining weeks! Our Venturers have a highlight at the end of the year with AV2015 on its way and this time next year our Scouts will be in the final stages of preparing for AJ2016!

The Scouting calendar for 2015 is starting to fill up with a Joey Scout Hoporee scheduled for next year and a number of other events planned – more information will come out in due course about all these activities.

Your Group Support Committee (Parents Committee of the Scout Group) will be putting out a short survey soon in relation to fundraising for the Group. Fundraising is an important part of our budget process each year and a lot of our equipment purchases rely on a strong successful program. In order to be a success we need all families to be involved and support fundraising and other activities of the Group. This short survey will be distributed shortly and we ask everyone to contribute and give us your thoughts.

As always I ask families to please keep yourself updated by checking our noticeboard regularly and also visit our website and our Facebook page.

Kuraka Joey's

5:45 to 6:45 Tuesday Night

Joey Scout Leader: Amelia LeCornu (0439 888 163)

This term Kuraka Joey's worked very hard to get their environment badge. They took part in a wide variety of environment-based activities in order to earn the badge.

They learned about recycling and took part in some of their own. They joined with Wednesday night Joey's and created some art work out of things they found in the environment around them.

They also had a visitor from the Woodhouse Scout Environment team come and teach them about different bugs and insects.

Laura Terpstra (a Flagstaff Hill Venturer) also helped the Joey's earn their badge by leading them on a hike down to the erosion site in the gorge and explaining how it has gotten so much bigger in the last couple of years and how she has been trying to slow down the erosion by building up the soil with newspaper to slow down the

erosion. The Joey's all brought along newspaper to help build these barricades up and slow the water eroding the site down.

The Joey's also brought their father figures along for fathers day celebrations. They looked after them by playing some games with them, giving them a pretend shave and creating a father t-shirt design for them.

They also had a camp fire and cooked and sang the night away as well as dressing in their sporting attire for the commonwealth games and competing in different sporting activities.

Over all it was a very fulfilling term. Well done Joey's! :)

Written by: Amelia LeCornu.

Ingarnendi Joey's

5:45 to 6:45 Wednesday Night

Joey Scout Leader: Rebecca Beer Smith (0419 854 368)

Firstly we would like to welcome Courtney to our Joey Mob who has chosen the aboriginal name Niari. We also say a fond farewell to Carl (Bilby) after many years of service. Carl has help trained many of the group's leaders and has been a mentor to many Joey's in his time at Flagstaff Hill. We hope to see Carl back in the future but wish him all the best in his current endeavours.

After a jam packed Term 3 focusing on our Environment badge. We discussed recycling, bugs and erosion with some special guests to help explain, James for the Scout Environment Centre and Laura Terpstra from our own Venturer unit. Thank you guys.

We also played a giant game of snakes and ladders, went to Laserzone, brought our Fathers in for Father's day and made t-shirts and pretended to shave them with pop sticks and shaving cream. Some of the Joey's also went on the Gang Show excursion

to the Scott Theatre by Train.

As I said JAM PACKED!

In term 4 we will be focusing on our Caring and Sharing badge, attending the branch Joey fun day and finishing the year with our traditional beach break up.

Written by: Rebecca Beer Smith.

Kaurna Cubs

6:30 to 8:00 Monday Night

Cub Scout Leader: Kathryn Affleck (0413 448 056)

Term Three was a busy one for the Kaurna Cub Pack! We had a few changes in our membership. We were delighted to invest Genevieve M and Huon J into the Cub Pack - we hope they are enjoying being Kaurna Cub's. Over the next few weeks we will say goodbye to Matthew J and James P as the "link" to Scouts - we wish them all the best for their future in Scouting! In addition last term we excited to invest Baloo (Ryan Manser) as an Assistant Leader - welcome to the Team Baloo!

In Term Three we were delighted to present Grey Wolf's to Ali H, Chelsea W, Estella D, Emma W and Lauren R. Congratulations girls on this wonderful achievement!

However the highlight of Term Three was our Caves and Sculptures Camp....

On Friday the 29th of August, 24 very excited Flagstaff Hill Kaurna Cubs boarded a bus to take them to Naracoorte for an action packed weekend of cave tours and craft.

Saturday morning meant starting off our badge work for the weekend- The Level 1 Masks and Sculptures achievement badge. Throughout the

weekend the Cubs made some clay figurines, plaster masks, played around with paper mache and made some woollen friendship bracelets. (The friendship bracelets were a huge hit - we caught one Cub making her bracelet by torch-light well after lights out).

Second item on the agenda was our first cave tour! Our fantastic tour guides took us through a part of the cave, before arriving at a fossil pit. Here, we were treated to an interesting presentation on the fossils found in the cave, and given the opportunity to get close to the fossils- even touch some!

On Saturday afternoon, we split up, with half of our group touring the Wonambi Fossil centre- a room designed to take you back in time to when the Megafauna roamed the area, while the other half got to learn how fossils were dug up and give it a go themselves.

That evening we visited the Bat Cave - to watch the Bats fly out of the cave at dusk.

We awoke after a restful(ish) night ready for

our final, jam packed day. After breakfast, we headed straight off for our first tour of the day- the Alexandra Cave. Known for its beauty, many of our members were excited about seeing this cave, and it certainly did not disappoint.

Our final tour saw us heading through the Bat Observation Centre, and Blanche Cave. In the Bat Observation Centre, we learned about the bats that we saw flying out of the cave the previous night, and with the help of some cameras that can see in the dark, we could see them in the cave at the present moment. We then headed into the Blanche cave, where the Cubs got to go on a small "Off track" caving adventure, which was thoroughly enjoyed by all!

This successful camp could not have happened without the help of our four parent assistants or the staff at the Naracoorte Caves National Park, and we would like to take this opportunity to publically thank everyone involved in the camp's running.

Written by: Megan Franzon, Kathryn Affleck, Ryan Manser and Heidi Van der Wielen.

Warriparri Cubs

7:00 to 8:30 Tuesday Night

Cub Scout Leader: Chris Taliangis (8370 6336)

The Warriparri Cub Pack (Tuesday night) had a busy term 3 concentrating on our Level 2 Cooking badge. We started the term by making kitchen aprons for everyone (with the help of a few mums) and then the Master Chef Warriparri Cubs learnt all about hygiene around food, safety in the kitchen, cleanliness, correct way to handle a kitchen knife, different methods of cooking, how to cook different meals including pizza, hamburgers, pancakes, soup, and cakes. Cubs were also taught about the essential food groups, a balanced diet and about different diets and allergies.

Towards the end of term 3 our Cubs along with the other Flagstaff Cub Packs went along to a performance of the Scouting production "Adelaide Gangshow".

Term 4 we will be focusing mostly on the "Space" theme, and will include a visit to the University of South Australia, Planetarium at Mawson Lakes. This activity will

occur on the afternoon of the Christmas Pageant, Sat 8th November and then we will return to the Scout hall for a sleep over camp finishing after breakfast Sunday morning. Other activities include an evening hike using our compasses and the stars, a campfire cooking night, a beach fun night and of course our end of year break up party.

I would like to take this opportunity to thank Victoria Swallowe who was our parent helper for the last few years and has now moved on as her child, Alfie has moved up to Scouts. Victoria did a sensational job helping out at Warriparri Cubs and along with her partner Neil were always reliable help. Cooks on camp, BBQ cooks, money and form collectors, helping the leaders with the children in fact anything that was asked of her. We will miss you Victoria.

Written by: Chris Taliangis.

Tarnda Cubs

6:30 to 8:00 Thursday Night
Cub Scout Leader: Steve Jaffer (8370 4497)

Term 3 2014 for Tarnda Cubs was once again busy and varied with different activities and badges covered over the Term.

Right at the end of Term 2 we invested Naomi and Isaac into our Pack and at the start of Term 3 we had two new Cubs, Jasmine and Daniel join us who we also invested, so welcome aboard to you all!

We were also very pleased to be able to award two of our long-standing Cubs, Sarah and Josh, with their Grey Wolf Awards so well done to both of you after completing every step of the pathway to gaining this highest Award achievable within Cub Scouts. Great work both - we will miss you in Tarnda.

And a special mention should go to one of our Assistant Cub Scout Leaders, Laura T, aka 'Chill' in Tarnda, who has just attained the highest award possible as a Scout – the Queen's Scout Award! A lot of hard work and effort goes into this award so congratulations to Laura in this achievement!

During Term 3 we spent the first couple of weeks constructing and painting Possum Boxes which will be sent home with our Cubs very soon.

We spent some time on construction this term introducing our newest Cubs to the world of knots and had a campfire with marshmallows cooked over coals and campfire songs and some yarns.

We also went bowling at Marion which the Cubs really enjoyed and had a go at making fudge for Father's Day gifts which proved to be both messy and fun!

We held a 'snow night' where Rikki (Tash) showed us how to make 'snowballs' from baby oil and flour and had a great time throwing them at each other afterwards out on the parade ground!

Some of our older Cubs took part in the Cub Scout Leadership Course which teaches practical leadership skills to assist them with the

role of being Sixers and Seconds within the Pack. Thank you to Kathryn for running this worthwhile weekend activity.

Tarnda Cubs also took part in some compass and navigation activities, held a Sleepover at the Hall with some fun activities like a yucky food challenge and making flags for our individual sixes to put up in the Hall (pictures below) and also went on a night hike with our torches through Sturt Gorge.

So, a busy term, as always! We have changed our start time to 6.30pm now so would welcome any new Joeys or Cubs who would like to join us on a Thursday night. :)

Written by: Laura Cooper.

A Special Thank You

A Personal Message from Lynda Sandor
The Chairperson of the Group Support Committee

I have always been an advocate for Scouts, as I have wanted for my children to experience the same fun, adventure and opportunities that I had as a teenager. I love Scouts for the opportunities to learn, try and explore so many varied activities that you often don't try as a family, sport club or school. I also was lucky enough to meet my future husband on a leadership course at Woodhouse as a teenager.

Little did I know how the people that I met as a youth in Scouts would turn up to support me and my family in our darkest most difficult time.

On the late afternoon 29th July my husband was booked in for a MRI. The following afternoon we met with a Neuro Surgeon to discover my husband Shayne had a brain tumour that needed immediate surgery.

We had time enough to advise our unsus-

pecting parents, work places and children before being admitted to the hospital several hours later for pre-op over night.

Everyone at this Scout group has been so supportive and helpful. Not only have I had sausage rolls hot out of the oven, lasagnas and pasta bakes delivered to us. But, it's the people that have come out from our past that we met in Scouts, some of which were only acquaintances, that have astounded me and warmed my heart especially.

Cookies for the children and a batch for the nurses were delivered to me at the Intensive Care Unit by someone that was a leader with my father and new me as a child. Nurses in the hospital that remember Shayne and I from 25 years ago, or have kids at a local Scout group that have made us feel as though we are receiving special attention. As well as People we have lost contact with many years ago tracking me down and offering assistance.

Please help us to continue to provide this organisation for you children, grand children, nieces and nephews not only for the activities and experiences, but more importantly, to meet other children and make the acquaintances with other people that will be there for them well into their future when they may need them the most.

Thank you is too small a word to express all the emotion and gratitude that I feel for these wonderful people ...

Written by: Lynda Sandor.

Karkanya Scouts

7:00 to 9:00 Wednesday Night

Scout Leader: Darren Sutton (0414 270 133)

Just like every other term, this one is going to be a great one for Karkanya Scouts. We've got our Patrol Camp to look forward to at Douglas Scrub. This year there will be six Patrols pitching their tents, setting up their kitchen area and rising to the challenges set by the Leaders. It's going to be an exciting camp for many of our Scouts as it will be their first time camping with Karkanya. We've had a huge number of Cubs join us at the end of last term and the start of this term. One Wednesday we invested 9 new Scouts to Karkanya. You can see from the photo that we're going to need a bigger circle soon!

It's fantastic to see so many new faces on Wednesday night, but we've also had to say goodbye to some great Scouts. We're very proud of the progress they've made and are delighted that they are continuing their Scouting life by joining with the Venturer Unit.

At the very end of last term we were extremely pleased that Julia Bugden was awarded her ASM (Australian Scout Medal-

lion). This is the highest award achievable in Scouts and Julia put in a lot of hard work to make sure that she completed all the necessary tasks before she moved onto Venturers. Well done Julia!

In August our Scouts decided that they wanted to take part in the 40 Hour Famine in their own way at the Scout hall. They discussed plans and decided to do a 24 hour lock in, with no technology, only rice and water and to spend their time cooking/eating/sleeping in a very restricted area. They cooked their own meals (well...rice!) and entertained themselves with books, games and crafts along with learning to make a paracord survival bracelet. We were very proud that our Scouts took it upon themselves to take part in this event and are sure that it will become a regular in our calendar. The total raised by the Scouts that took part was \$850.09 – a fantastic total.

We enjoyed a great night hike with Jindalee Scouts, leaving from Eden Hills and winding our way through the Sturt Gorge. The weather was perfect for a night hike and it

was a great experience for our Scouts. We're very lucky to have such amazing trails so close to our Scout Hall.

Steph has now completed her Advance Training with Scouts. We were delighted on the first night back this term when she was awarded her Wood Beads for the successful completion of the course. Well done Steph!

With the warmer weather upon us, Karkanya PL's and APL's have some great activities planned for this term. We look forward to sharing the stories and photos from these next term.

Written by: Heather Forbes-White.

Jindalee Scouts

7:30 to 9:30 Friday Night

Scout Leader: Trevor Rogers (8270 2433)

Last term we had our annual debate with Belair Scouts at our hall. The topic was "Should sport be compulsory for one hour after school", we were the affirmative and unfortunately we lost again. Our adjudicator, Cheryl Brady had a tough job as both teams were very persuasive with their argument. Hopefully next year will be our winning year. We also participated in the District swimming night at Noarlunga Swim Centre. A lot of our scouts did very well with the tasks put to them and most are well onto their way to earning the red level water safety badge. They also had a go on the jungle rope, with each Scout getting two turns each and a couple sneaking in an extra turn.

Karkanya Scouts joined us for a hike from Eden Hills to Flagstaff Hill through the gorge, the hike got off to a great start with one leader, Heather, deciding to take a short cut, losing her footing and slipping down the hill through bushes and scrubs until she finally stopped. The Scouts continued on using a GPS but soon came off course, after a couple of hours they were near the Sturt River but couldn't find the track down the hill, as the

fence had been removed, which is used as a location point to find the way down. After a couple of phone calls and another leader going down to the Gorge, the Scouts & leaders were put back on track and were soon at the hall for pancakes & cordial. A few of our Scouts blamed a leader for getting lost but soon discovered the following week when we did compass and mapping that it wasn't as easy as they thought. It was a good lesson for the Scouts and hopefully when they do their hikes they will remember how easy it is to get lost, especially in the dark.

One of our Scout Carli is working towards her Green level cord and ran a First Aid night for the Scouts, I think she found it interesting and the exercise was a good learning curve.

The Scouts also had a camp at hall and they had to pan their menu then walk to the Flagstaff Hill shops and buy all their food. They did an excellent job, as they were all young and didn't have any experience in food quantities or budgeting. They got all the quantities correct except for the mince, which meant

another walk to the shops to buy some more. Well done to Georgia V, Paige, Carli, Nick, Michael, Lachlan and Trent. Paige also received her Red Cord that weekend, congratulations Paige.

In term 4 we are appointing new patrol leaders and assistant patrol leaders as a couple of our Scouts have left us and a couple have gone up to Venturers. We wish Georgia H. & Cooper a fantastic time at Venturers and will miss them. We also have a lot of outings this term and we are joining Aberfoyle Park Scouts for a night together. At present we have a small troop of 15 Scouts which gives the Scouts plenty of opportunity to achieve badges and learn new skills.

Written by: Cheryl Terpstra.

Venturers

7:30 to 10:00 Friday Night
Group Leader: Chris Wise (0401 570 800)

Term 3 has finished and only one term left for a year of venturing. The term has been busy and fun filled with a busy program and fundraisers. Mid-way into the term, our unit combined with the Reynella Venturers which included dressing-up as villains and a great time. The next week Julia was invested on the ice at Ice Skating and became a part of the unit. Along with the investiture, we also said goodbye to two members of the unit, Laura and Alicia as their 18th birthdays' had come.

Laura left the unit early in the term whereas Alicia had her final night at Gang Show. Gang Show had an amazing performance, concluding at the pancake kitchen afterwards. A big congratulations to Alicia who had achieved all of her tapes allowing her to achieve her Queen's Scout award. Her ceremony will be later this term. Laura had her Queen's Scout award approved the previous term and her ceremony was early in the holidays.

We have a fun term ahead planned with a range of activities and at the end of the year a number of Venturers are looking forward to having a Heaps Good time at AV2015!

Written by: Jordan Green (Unit Chairperson).

Queen's Scout

The Highest Award in the Youth Sections of Scouting
Flagstaff Hill Scout Group's Latest Recipient of this Award: Laura Terpstra

Recently I have completed my Queen's Scout Award, this is the highest Award that a youth in Scouting can achieve. I feel very honoured and grateful that (after the many hours) to have been presented with it just recently. I had completed my Grey Wolf and Australian Scout Medallion, I was determined to complete my Queen's Scout.

To complete my Award I had 17 tapes/badges that needed to be completed. For this I had to do service either in or out of the Scouting movement, I chose to work with the Tarnda Cubs which was a great opportunity and a lot of fun because of the great team I had. As well as this I needed to do work with the environment and chose to work in the erosion site in the Sturt Gorge. I also chose to plan and walk two hikes, one being only one night and the other being 3 nights and 4 days, safe to say that was a struggle. I had also partaken in scrapbooking for a pursuit/hobby which was a lot of fun and en-

joyed a lot. Apart from these things the badges I had to complete were leadership, unit management, outdoors, vocations, citizenship, lifestyles and many more.

After this 3 year journey I would love to thank once again everyone who helped me and pushed me to do it. To my parents who never gave up even when I almost did, to Trevor Rogers who gave me advise and all the places to camp for my Queen's Scout level hike. To Nicola Capon who gave me direction then signed me off after a page of notes. To the Tarnda Cub Leaders for putting up with me! To Chris Wise for always pushing me and trying his hardest to help me in anyway possible. To all the Venturer Leaders, Matt, Mick, Natasha, Simon and Nick Mac, whether they were there in the beginning or the end you all played a part in helping me. Finally to all the Venturers, thank you!

Written by: Laura Terpstra.

Adelaide Gang Show

2014 Theme: RADELAIDE and Our Amazing State
A Case Members Perspective

This year Flagstaff Hill Scout Group was lucky enough to have 6 members to be apart of the cast these were 3 Leaders and 3 Youth Members and our Assistant Group Leader back of stage calling the items for the cast.

Adelaide Gang Show is a variety show performed every year in September, by the Scouts and Guides of South Australia at the Scott Theater, which is a part of The University of Adelaide. Adelaide Gang Show has been going strong for 54 years.

This year's theme was RADELAIDE. The gang focused on different aspects of our amazing city. We had skits that were based on the city to bay fun run, tour down, Glenelg, Rundle Mall, the Zoo and other interesting parts of our state.

Just like every year each and every person who wished to be apart of the cast had to audition, which were held in March and April this year. The production team spends hours picking and putting the cast into the roles that need filling, and the production teams tries to equally share the roles between the cast.

This year rehearsals Began in May, the cast of 115 spent every Monday night from 7:00pm to 9:30pm for 18 weeks which included the school holidays rehearsing, all the songs, dances and skits, and putting them together, so they would look really good stage.

Drew from Venturers has been a part of the show for almost 10 years and was asked to join the production team as a choreographer, and taught the cast one of the main dances that we needed to learn. Congratulations Drew keep up the good work.

Not only as cast did we have Monday night rehearsals but we also had to 2 full week-end rehearsals with early calls on the Saturday morning and one full Sunday rehearsal making sure everything was perfect and ready for show week in September.

Saturday the 20th of September came along really quickly and it was time for all cast and crew, to come together and bump into Scott Theatre. We started on the Saturday night at 6:00pm and finished at 5:00pm on the Sunday, where we went through the Show, from opening to closing with costumes and lights.

The Show week came around like a flash, and left just as quickly. Monday night was the first time that we had an audience. There were only about 20-30 people who came to watch it these were mainly scout groups who meet on a Monday night. The show went off with out a problem; Tuesday was opening night and seemed to be a lot bigger audience. The rest of week seemed to just fly by, arriving in theatre at 5:30pm to get ready to be on stage at 7:25p, ready to WOW the new audience every night. As the week went on the bigger the audience got.

Friday night saw the Ventures and the Friday Scouts in the Audience to Support their fellow members of Flagstaff Hill. Then the Saturday afternoon saw the rest of Flagstaff Hill come and support all the cast on stage. This year the Group was lucky enough to win a voucher for the Scout outdoor centre to purchase, equipment.

This year saw just over 150 members of

Flagstaff Hill to come and watch Adelaide Gang Show over two days. On behalf of the members of Flagstaff Hill Scout Group who were on stage I would thank everyone who come to watch the show and hope to see you there next year.

Well done to Georgia Hewett (from Friday night Scouts) for selling the most tickets.

For any youth member, if you sat in the audience and were like I want to be a part of that next year. Below is the link to download the Audition form: www.adelaidegangshow.com.au.

Next years Theme is Mystery & Fantasy.

Written by: Tori Petchell (Cast Member and Assistant Cub Scout Leader - Warriparri Cub Pack)

Upcoming Events

Additional information available on the Scout Group website at:
www.flagstaffhill.sa.scouts.com.au/calendar.

Flagstaff Hill Scout Group will be holding a Christmas Fair at Flagstaff Hill Scout Group Hall
