# GPS TREASURE HUNT

Dear Kaurna Cub Family,

For our "GPS Treasure Hunt" weekly activity the Kaurna Cub Pack will be geocaching!

**What is geocaching?** Geocaching is a real-world, outdoor treasure hunting game using GPS (Global Positioning System) enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

Cub Scouts will be geocaching together as a Cub Pack. The children will be supervised by Leaders at all times.

This activity will be held from 6:30 pm to 8:00 pm on Monday 15<sup>th</sup> May. Pick up and drop off will be from the Scout Hall.

**Children are asked to wear their Cub Scout uniform (shirt and neckie/scarf) and appropriate walking shoes. They are also asked to bring a drink bottle and a torch. Children with asthma are asked to bring their puffers.**

Families are asked to complete a Y4 - Parent Advice Form for their child to attend. This Form can be completed online (through CareMonkey) or in paper form. If you wish to complete an online Form please do so at least 1 hour before the start of the activity.

If you have any questions about this activity please contact Heidi (Darzee) on 0439 501 672 or [heidilee08@gmail.com](mailto:heidilee08@gmail.com).

Yours in Scouting, Kaurna Cub Leaders
