Saturday 27th to Sunday 28th May 2017
Initial Notice

To Infinity And Beyond – Space Sleepover

Dear Kurna Cub Family,

This term the Kurna Cub Pack will be participating in a **To Infinity And Beyond – Space Sleepover** at the Gawler Scout Hall (Holmes Street, Willaston). During the Sleepover Cub Scouts will be participating in a range of space activities including visiting the South Australian Planetarium. (Cub Scouts will be catching a Gawler Line Train to and from the Planetarium at Mawson Lakes).

The To Infinity And Beyond – Space Sleepover will run from **1:00 pm Saturday 27th to 1:30 pm Sunday 28th May**. Cubs Scouts are asked to have lunch before attending the event on Saturday. Children are able to attend only part of the Sleepover – please speak to Kathryn (Akela) if your child would like to do so. The Cub Scouts will be sleeping inside the Scout Hall on Saturday evening.

The Campout will cost \$30.00. This \$30.00 includes accommodation, daytrip train ticket (\$5.00), 1 hour planetarium session (\$7) as well as all food and activities.

A **“Y4 – Parent Advice Form”** must be completed for this event. Families can complete the Form online (through CareMonkey) or on paper. We ask that payment (\$30.00) be returned in a sealed, labelled envelope/ziplock bag by Monday 22nd May (week four). A baggage list, program, menu and rules will be issued closer to the date.

In order to meet the adult to child ratio required for legal reasons by Scouts Australia – SA Branch we will require some parents to assist throughout the weekend, including overnight. If you are interested in helping out please speak to Kathryn (Akela) or write your name on the Roster (located next to the return box for payment and completed Forms).

If you have any questions before, during or after the event please contact Kathryn (Akela) via mobile (0413 448 056) or email (kathryn.affleck@gmail.com). We hope to see you all there!

Yours in Scouting, Kurna Cub Leaders
